PARKING (for a detailed map see the SOTC website)

There are two driveways leading off Deere Road, one on either side of the building. You may park and enter on either side, though most of the parking is on the left.

- If you use the driveway to the left of the building, you may park on either side of the driveway. Use the entrance near the cluster of mailboxes, up a short short flight of stairs. Go down the hallway past the vending machines and through the double doors on your left.
- If you use the driveway to the right of the building, you may park only on "our" side of the driveway. **Do not park next to the other building, or in the large lot between our building and Court Street Road.** Use the entrance near the Handicapped Parking sign toward the rear of the building, around the corner from the overhead garage door.

Restrooms & Waste Stations

Please, clean up after your dog! There are waste stations located at both main entrances.

Restrooms are off the hallway near the vending machines. The potty area for dogs is the grassy space near the garage entrance.
