Vision  
We envision a world where all people are  
safe, valued, respected, and free.

Dear Friends,

Please accept our deepest gratitude for your support of A New Hope Center and the people we serve. Your contribution assists us as we help 1100 - 1200 people every year, although we reached an all-time high in 2021 of 1298 people. Of this number of people, we shelter about 40 families annually, helping them to effectively re-start their lives after abuse.

A New Hope Center offers several programs to help achieve our mission and vision, including crisis intervention, advocacy, sheltering, companion animal sheltering, counseling, community education, supervised visitation, and the accountability program for domestic violence offenders. We know that we cannot do it alone, and we value your support.

We would like to welcome you to reach out for more information about our programs, and we're happy to answer any questions.

Sincerely,

  
Fran
